Reasons for Allowance

1. After reviewing Applicant's comments and arguments as indicated on page 9 as well as Applicant's amendments of claims in Applicant's response dated (10/05/2007), Examiner is hereby placing claims 1 – 3, 5 – 10, 12 – 17 and 19 – 21 in condition for allowance.

The following is an Examiner's statement of reasons for allowance.

The prior art of record does not teach or fairly suggest at least:

“...storing one or more threshold values in one or more threshold fields of the page table in association with one or more performance indicator fields and the one or more counter fields, wherein each of the one or more threshold values specifies a maximum counter value in an associated counter field; and

generating a selected action in response to the counter value in an associated counter field exceeding the threshold value in an associated threshold field”, in such a manner as recited in claims 1, 8, 15 and 21, and as best illustrated by FIG. 38.

Therefore, all remaining claims 1 – 3, 5 – 10, 12 – 17 and 19 – 21 are in condition for allowance.

Art Unit: 2192
